

# Crowley. The most recognized name in the Caribbean.

Sure, we've made a name for ourselves in Puerto Rico over the last 50 years. But lately we've been acknowledged for our superior service by some bigger names. Like Sears, Ford, Campbell Soup and Toyota. Most recently, SC Johnson recognized us for sailing schedule integrity, documentation, customer service, and equipment availability and condition. But you don't have to be a big company to get Crowley's attention. Every one of our customers receives the same high level of service. For example, we offer five sailings a week to all customers who ship between the U.S. and Puerto Rico, and even more during the busy holiday season. And every customer benefits from the efficiency of our

San Juan terminal. It's the largest Ro/Ro facility in the Western Hemisphere, and the only one with an on-site Puerto Rico Excise Tax Office. You'll also rest easier knowing that Crowley was recently fully validated by U.S. Customs in the C-TPAT security program – a designation held by fewer than 10% of C-TPAT registered companies. Our cooperation with Customs enhances the security of your goods and helps expedite cargo clearance.

But enough about us. We'd like to thank all the companies who've recognized us for our outstanding service. For your own rewarding experience, call us at 1-800-CROWLEY or visit [www.crowley.com](http://www.crowley.com).
