

Crowley Liner Org 025816 Tariff 001	Date Filed: 5/15/2018
Rule Name: POSITION EMPTY EQUIPMENT	Date Effective: 6/14/2018
	Revision: Original Publishing Code: I

If shipper requests water carrier to position empty equipment for loading on intermodal rates with a rail carrier that is not available at the point, such equipment will be supplied from the port area or another point.

Charges incurred for such empty placement will be included on the water carrier's freight bill.
