-------------------------------------------	--------------------------	------------------------------	-------------------------------------	---------------------------------	----------

## **Collect Surcharge Fee**

### **El Salvador**

All shipments destined or originating in El Salvador will be assessed a 5.5% fee on the total freight charges, when freight charges are collected in El Salvador. 807 cargoes will be exempt from this Tax in both directions.

### **Honduras**

When charges are collected in Honduras in Lempiras or U.S. Dollars, a surcharge of 5% of total charges will be applied. The surcharge will apply on southbound or northbound cargo.

### **Guatemala**

Except as otherwise provided, no freight collect shipments will be accepted to Guatemala. If freight collect shipments are required and if approved by Carrier, a surcharge of 6% of the total collect charges will apply.
