Marine cargo insurance, under Crowley Logistics Inc.'s open cargo policy, will automatically be applied unless the account of cargo denies coverage. Customers who opt out of coverage must do so in writing to the Carrier.

This coverage shall apply per the commercial invoice for a charge of US\$1.00 per \$100 CIF Cargo value per shipment, subject to a minimum charge of \$30.00.

Coverage provided by the policy is subject to various exclusions, conditions and warranties; customers are urged to review these provisions carefully to determine the extent of coverage. A copy of the insurance policy is available upon request.

For the purposes of computing Marine Insurance Charges, the definition of CIF Cargo Value shall be the Invoice Value + Shipping Cost + 10%.
