--	--------------------------------------	--	---	--

**Over Dimensional Charges/Non Stackable Cargo** – Except as otherwise provided, Over Dimensional Charges shall be applicable between Caribbean, Central America and Puerto Rico.

Carrier will only accept over-dimensional Freight at Carrier’s Jacksonville, Miami and Central America Terminals.

Over-dimensional Cargo will be handled at Carrier’s Convenience.

A. Whenever individual pieces, packages or shipping units are tendered for carriage and it is necessary that no cargo is stowed on top of same due to customer request, or because of the nature of the articles or the type of packaging used or lack thereof, Crowley Logistics, Inc. will use the minimum height measurement of 84 inches to determine chargeable cubic foot measurement of the shipment.

B. When freight is delivered on specialized pallets or freight has specified lifting points that can be mechanically loaded inside carrier containers/trailers and does not exceed maximum weight or length dimensions specified in Sub Rule D, Sub Rule B will only be subject to Sub Rule A.

C. Cargo Exceeding 39’6” in length, 7’6” in width and 84” in height will not be shipped in Carrier’s Container Consolidation Loads. Exception, for cargo between the Continental U.S. and Puerto Rico, Cargo Exceeding 39’6” in length, 8’ in width and 8’ in height will not be shipped in Carrier’s Container Consolidation Loads.

D. Maximum Weight allowable will that of the carrier’s weight lifting capacities both at origin and destination at time of shipment. It is recommended that beyond 4500 Lbs to check with carrier before tendering freight for shipment.

E. Applicable for all open tariff & contract rates, Pieces or Packages or Bundles greater than below specified length limitations, shall be subject to the surcharges specified below. Sub Rule A not applicable when Sub Rule E is invoked.
