

Fresh produce deserves fresh thinking.

At Customized Brokers we think outside the box to quickly clear your produce through Customs and provide logistics solutions to help you get it to market at its freshest.

Our strong knowledge of compliance and excellent relationships with U.S. Customs, FDA and USDA help ensure quick efficient clearance for your perishables – 24 hours a day, 7 days a week, 365 days of the year. In addition, we can help you with a myriad of related logistics services, including: fumigation, in-bond movements, ocean and inland transportation, container transfers, door deliveries and more.
