A request for the reconsignment or diversion of a shipment to effect a change in the name or address of a Consignor or Consignee, a change in the destination or place of delivery will be accepted subject to the following provisions:

1. Request for reconsignment or diversion must be made in writing to water carrier and the water carrier must be satisfied that the party making the request has the authority to do so. Conditional or qualified request for reconsignment or diversion will only be accomplished if shipment is in water carrier's possession. Reconsignment will not be billed for changes in the name or address of a consignor or consignee when corrections are made prior to the release of the bill(s) of lading.
2. A shipment which has been tendered for delivery may not thereafter be reconsigned or diverted but may be reshipped. A shipment may not be reconsigned, diverted, or reshipped in violation of an embargo.
3. Only entire shipments (not portions of shipments) may be reconsigned or diverted.
4. Carrier will make diligent efforts to execute valid reconsignment or diversion orders, but will not be responsible if, despite such efforts, reconsignments or diversion is not effected.

* Latin America Exceptions:

At the Carrier's option, on shipments of Green Coffee with multiple container/trailers on one Bill of Lading, reconsignment of one or more full container/trailers may be allowed for less than the full Bill of Lading quantity.

If change to document is other than a diversion or reconsignment this rule is not applicable.
