

Crowley Government Services, Inc. Org 027971 Tariff 001	Date Filed: June 11, 2020	Date Effective: June 11, 2020	Rule 20 Marine Cargo Insurance	Revision: Original Publishing Code: I
--	--------------------------------------	--	---	--

Marine Cargo Insurance

Applicable to all LCL or FCL shipments between United States and all ports & points listed in the scope of this tariff.

Marine cargo insurance, under Crowley Logistics Inc.’s open cargo policy, will automatically be applied unless the account of cargo denies coverage. Customers who opt out of coverage should do so in writing to the Carrier.

This coverage shall apply per the commercial invoice value on Prepaid or Collect shipments originating from the U.S. for a charge of US \$1.00 per \$100 CIF Cargo value per shipment, subject to a minimum charge of \$30.00.

Coverage provided by the policy is subject to various exclusions, conditions and warranties; customers are urged to review these provisions carefully to determine the extent of coverage. A copy of the insurance policy is available upon request.

CIF Cargo Value Definition - For the purposes of computing Marine Insurance Charges, the definition of CIF Cargo Value shall be 112% of the Invoice Value + the Shipping Cost.
