

**EVERY DAY IS SHOWTIME
AT CUSTOMIZED BROKERS.
WE CLEAR CUSTOMS FAST, 24/7/365.**

Let us show you how fast and efficient we can clear your produce through Customs. Our knowledge of compliance and enforcement agencies, such as CBP, USDA and FDA, are second to none. As a problem solver and logistics provider, Customized Brokers offers the comprehensive services you need, including fumigation, trucking and FDA clearance, plus documentation, such as FDA Prior Notice and ISF filings. We can also help you with compliance consulting and regulatory guidance. As your partner, Customized Brokers will help you get your produce to market at its peak of freshness.

Contact us today at (305) 471-8989 or visit customizedbrokers.net for more information or to set up a free consultation.
