Avik Class tugs are designed for utilization with barges in the coastwise and river trades of the Pacific Northwest and Alaska. Their stern hull configuration shrouds the propellers in tunnels enabling these tugs to work in very shallow waters. The hull form provides sea-keeping qualities that enable these tugs to engage in ocean towing.

The tug features a raised bridge to allow for heightened visibility when engaged in either the towing or pushing mode. Astern tow winch and fendered push knees on the bow allow the boat to engage in conventional towing or operate in the push mode. The tug is built to American Bureau of Shipping (ABS) standards, has accommodations for eight people and is equipped with the latest navigational and communications technology.

The Avik Class tug design incorporates several state-of-the-art features including:
• Propulsion and auxiliary engines that meet all International Maritime Organization (IMO) emissions standards.
• Fuel tanks surrounded by void spaces to minimize the risk of fuel spills.
• Holding tanks to retain treated sewage onboard.
• Electric rather than hydraulically operated deck machinery.

**GENERAL SPECIFICATIONS**

**Flag Registry**
United States (U.S.)

**Overall Dimensions**
- Length . . . . . . . .76' • 23.16m
- Breadth . . . . . . .32' • 9.75m
- Depth . . . . . . . .7' • 2.13m
- Loaded Draft . .4'10" • 1.47m
- Light Draft . . .3'6" • 1.07m

**Tonnage**
- Gross . . . . . . . . .169
- Net . . . . . . . . . . .115

**Capacities**
- Fuel . . . . . . . . . . .23,900 gal.
- Potable Water . .3,900 gal.
- Lube Oil . . . . . . . .900 gal.

**Main Propulsion**
- Main . . . (3) Caterpillar 3406E DITA
- Aux. . . . (2) Caterpillar 3304 DITA

**Horsepower**
1,350 maximum continuous BHP

**Propulsion**
Triple-screw, stainless steel

**Bollard Pull (calculated)**
- 28,000 lbs. ahead/20,000 lbs. astern

**Reduction Gear**
Reintjes WAF 244MKK gears, ratio 2.957:1

**Towing Winch**
Markey, TES-22, single-drum

**Towing Wire**
- (1) 1,250 feet of 1.25” wire rope

**Auxiliary Winch**
- (2) Patterson 60-ton with 1.125” wire

**Navigation Equipment**
- Dual Radars, VHF Radio, Satellite Communications, GPS, Fathometer, Autopilot

**Builder**
Dakota Creek Shipyard

**Certification**
ABS + A1 Towing Vessel
