

SEA ROBIN CLASS TUGBOATS

The Sea Robin class tugboats are twin-screw tugs fitted with tow winches capable of ocean towing and anchor handling. Both the *Sea Breeze* and *Sea Horse* feature a raised fo'c'sle while the *Sea Prince* has a low bow and shipwork bucket fenders. All are regularly used for linehaul tandem towing, ship assist, tanker escort and emergency rescue towing throughout Alaska, the U.S. West, Gulf and East coasts; and in the Caribbean.

Crowley operates the largest and most diverse fleet of tugs in the world. The fleet offers a full range of maneuverability and versatility for work inside and outside the harbor. All company tugs are fully instrumented with pilothouse-controlled engine rooms and are equipped with the latest in navigational and communications technology.
