XL GlobalClaim™ Customer Portal

Yes. It's that good. The XL GlobalClaim system has won a number of innovation awards. The reason is simple: it really works.

The system* allows XL Catlin to manage claim transactions more effectively—from first notification to final payment. But there is more; the Customer Portal puts important claim information at your fingertips. It helps us help you Get from Stop to Go.

Welcome to the Customer Portal.

XL GlobalClaim has a handy web-based system called the Customer Portal: it gives *you* direct access to real-time information about *your* claim. Here, you and your team can keep track of claims, run reports and even report a loss or incident.

Need to know.

Not that we don't enjoy talking with our clients, but sometimes you need to get a quick status update or look up some basic claim information without having to pick up the phone or send an email. And users can be assigned varying levels of access, depending on your needs:

- Claim status
- Claim and policy number
- Claim owner
- Date of loss
- Insured
- Parties involved
- Financial information

You can even download quarterly loss runs (up to 5 running quarters' worth) in Microsoft Excel format to share with other decision makers in your organization. And financial information is automatically converted into any currency you choose.

At your service.

We all hope a loss never occurs. If one does, first of all, take a deep breath. Our claims teams are ready to resolve your claim, so you keep moving your business forward. You can report your claim using the Customer Portal. Quickly. Efficiently.

Ready when (and where) you are.

With XL GlobalClaim you can do all this anywhere in the world** at any time of the day or night. And because you're tied into our global claims network, you'll have access to real-time claims data.

You can even take it with you using the iOS compatible XL GlobalClaim Customer Portal mobile app. Available for free to XL Catlin clients through the iTunes store, the mobile app allows you to access key high level claims information.

* For more information on our system's features, please consult the XL GlobalClaim information sheet. XL GlobalClaim may not be available with certain policies, please talk with a member of your local claims team for information.

For the purpose of this clause, packing shall be deemed to include stowage in a container or liftvan.

36. Both to Blame Collision

Where goods are shipped under a bill of lading containing the Both to Blame Collision Clause the Company agrees, as to all losses covered by this insurance, to indemnify the Assured for any amount (up to the Limit of Liability) which the Assured may be legally bound to pay to the ship owner under such clause. SECTION III: ADDITIONAL COVERAGES

42. Return Shipments

In the event of refusal or inability of the Assured or other consignee to accept delivery of goods insured hereunder or shipments of insured goods that would have been insured hereunder except for terms of sale, this insurance is extended to cover such shipments, subject to Policy valuation and insuring conditions, during delay and/or return or until otherwise disposed.

In no event shall this insurance inure to the benefit of the consignee.

43. Interruption of Transit of Damaged Goods

The Assured will, in all cases, use reasonable efforts to obtain abatement or refund of duties paid or claimed in respect of goods lost, damaged or destroyed. It is further agreed that the Assured shall, when the Company so elects, surrender the merchandise to the customs authorities and recover duties thereon as provided by law, in which event any claim under this Policy shall be only for a total loss of the merchandise so surrendered and reasonably and customary expenses.

This insurance on duty and/or increased value shall terminate at the end of the import movement covered under this Policy, (including the Warehouse to Warehouse and/or Marine Extension Clause if incorporated herein), but nothing contained in these clauses shall alter or affect any coverage granted elsewhere in the Policy during the storage or transit subsequent thereto.

This insurance is extended to cover shipments sold by the Assured on F.O.B., F.A.S., Cost and Freight or similar terms whereby the Assured is not obligated to furnish marine insurance. 46. Unpaid Vendors / Contingent Interest

All shipments of goods sold by the Assured on F.O.B., F.A.S., Cost and Freight, or similar terms whereby the Assured is not required to furnish insurance, this Policy is extended to cover only the interest of the Assured as an unpaid vendor, from the time shipments become at the risk of the customer under the terms of the sale until payment, but in no event beyond the time when the Company's risk would normally cease under the terms of this Policy.

In no event shall this insurance inure to the benefit of the buyer or their insurer, but in the event of a loss occurring which would be collectible hereunder but for such terms of sale and the Assured is unable to collect the purchase price from the buyer in regular course, the Company will advance to the Assured the amount of such loss pending collection from the buyer; such advance will be made as a loan without interest refundable only in the amount collected from the buyer or from their insurer; the Assured hereby agreeing to use all reasonable means to collect the full amount due from the buyer and to reimburse the Company.

The Assured agrees not to divulge the existence of this coverage, except as between the Assured and/or Underwriters and/or the Company.

47. Guarantee of Collectability / DIC

All goods purchased by the Assured on C.I.F. or similar terms, where the seller is required to furnish insurance, the Company guarantees collection of any claim recoverable under the seller's transit insurance, but only to the extent the claim would be recoverable under the terms, conditions and warranties set forth in this Policy if the goods and/or merchandise and/or property had been insured hereunder.

In no event shall this insurance inure to the benefit of the seller or their Company, and the Assured agrees to make, and will make, all reasonable efforts to collect the full amount of any loss, damage or expense from the seller and their Company, but in the event the Assured is unsuccessful in making a recovery, the Company will advance to the Assured the amount of the uncollected loss, damage or expense as a loan without interest.

If any goods insured are covered by other insurance which attached prior to the date of attachment of this Policy, the Company shall be liable only for the amount in excess of such prior insurance and shall return to the Assured premium to be agreed after determination of the terms of the other insurance.

If any goods insured are covered by other insurance which attached subsequent to the date of attachment of this Policy, the Company shall nevertheless pay to the full extent of its liability under this insurance without right to claim contribution from the subsequent insurers.

If any goods insured are covered by other insurance which attached on the same date of attachment of this Policy, such other insurance shall be deemed to be simultaneous, and the Company will be liable only for a pro-rata contribution to the loss or damage in proportion to the amount that the insurance under this Policy bears to the total amount of insurance placed on the goods from all sources and will return to the Assured an amount of premium proportionate to such reduction of liability.

It is agreed that nothing in this clause shall alter the intent or operation of the Interest Clause of this Policy.

70. Notice of Loss

In case of actual or expected loss of or damage to the goods insured which may become a claim under this Policy, same shall be reported promptly in writing to the Company or its claims representatives and proof of interest shall be filed with them as soon as practicable thereafter.

If admitted coverage is issued, claims are to be payable in USD or local currency if permissible by law.

In the event of a claims payment involving local currency, conversion into and from the currency of the United States shall be based on the New York foreign exchange selling rate published in The Wall Street Journal as of the date of loss.

72. Constructive Total Loss

No recovery for a Constructive Total Loss shall be had hereunder unless the property insured is reasonably abandoned on account of its actual total loss appearing to be unavoidable, or because it cannot be preserved from actual total loss without an expenditure which would exceed its value when the expenditure had been incurred and/or as may be agreed by the Company.

73. Partial Losses

In case of partial loss by perils insured against, and notwithstanding any applicable statute to the contrary, there shall be a separation between sound and damaged goods insured and the amount of recoverable loss shall be determined by:

- b. Sale of the damaged goods insured, in which event the Assured shall receive the difference between the insured value of the goods sold and the proceeds of the sale.

However, except in General Average, this Company shall not be subrogated to any rights and/or claims against the Assured's affiliates or subsidiaries.

75. Impairment of Recovery and Released Value Contracts of Carriage

In case of any agreement, act or omission of the Assured, prior to or subsequent to loss, whereby any right of recovery against any carrier or bailee is released, impaired or lost, which would on acceptance of abandonment or payment of loss by the Company have inured to its benefit, the Company shall pay for the loss only to the extent its right of recovery was not released, impaired or lost.

At the option of the Assured, in case of loss or damage to any part of a machine, the Company will pay the proportion that the part lost or damaged bears to the insured value; or, the Company will pay for the cost and expense, including labor and forwarding charges, of replacing or repairing the lost or damaged part. Loss, if any, sustained by payment of additional duty on replacement parts shipped for damaged machinery shall only be recoverable if duty was insured with the original shipment of machinery. In no event, however, shall the Company be liable for more than the insured value of the complete machine.

77. Suit

No suit or action for the recovery of any claim arising under this Policy shall be maintainable in any court unless such suit or action shall have been commenced within two (2) years from the date of the happening of the loss out of which the said claim arose; provided, however, that if the law of the state or jurisdiction in which this Policy was issued makes such limitation invalid, then any such claim shall be void unless action is commenced within the shortest limit of time permitted by the laws of such state or jurisdiction.

78. Choice of Law

It is agreed that this Policy and all endorsements shall be governed by the federal maritime law of the United States. In the absence thereof, the laws of the State of New York shall apply.

The Assured's claim will not be prejudiced by loss or reduction in recovery unless due to the negligence of the Assured. In no event will the Assured's claim be reduced by more than the reasonable expected recovery.

Ocean Cargo Coverage Solutions

In consideration of premiums to be paid at the rates of the Company, this endorsement covers War Risks only, in accordance with the terms and conditions hereinafter set forth.

The Company shall not be liable hereunder for more than **As Per Declarations Page** by any one vessel.

This endorsement shall cover only those shipments which are insured against marine risks under the attached Marine Cargo Policy, it being agreed that the description of such shipments, the valuations thereof, the voyage, the designation of the overseas vessel (which shall be construed to include aircraft included under the Marine Cargo Policy) on which the goods are to be carried and the ports and/or places of loading and discharge, as reported under this endorsement against marine risks, shall be deemed incorporated herein. Notwithstanding the foregoing, this endorsement shall not cover purely domestic shipments by air between points in the United States of America (excluding Alaska and Hawaii).

This endorsement also covers, as a separate insurance, the risks of capture, seizure, destruction or damage by men-of-war, piracy, takings at sea, arrests, restraints, detentions and other warlike operations and acts of kings, princes and peoples in prosecution of hostilities or in the application of sanctions under international agreements, whether before or after declaration of war and whether by a belligerent or otherwise, including factions engaged in civil war, revolution, rebellion or insurrection, or civil strife arising therefrom; the imposition of martial law, military or usurped power, including the act or acts of one or more persons, whether or not agents or a sovereign power, carried out for political, terrorist or ideological purposes and the risks of aerial bombardment, floating or stationary mines and stray or derelict torpedoes, and weapons of war employing atomic or nuclear fission and/or fusion or other reaction or radioactive force or matter but excluding loss, damage or expense arising out of the hostile use of any such weapon; and warranted not to abandon (on any ground other than physical damage to ship or cargo) until after condemnation of the property insured.

1. The coverage against the risk enumerated above, except the risk of floating or stationary mines and stray or derelict torpedoes, floating or submerged, and the act or acts of one or more person, whether or not agents of a sovereign power, carried out for political, terrorist or ideological purposes, referred to in Item 2. below, shall not attach to the interest insured or to any part thereof.
 - A. Prior to being on board an overseas vessel (for the purpose of this endorsement, an overseas vessel shall be deemed to mean a vessel carrying the interest from one port or place to another where such voyage involves a sea passage by that vessel),
 - B. After being discharged overseas from an overseas vessel at the intended port or place of discharge, or after the expiry of fifteen (15) days from midnight of the day of arrival of the overseas vessel at the intended port or place of discharge, whichever shall first occur,

During the said period of fifteen (15) days the insurance remains in force whether the interest is awaiting transit or in transit between the overseas vessels.

2. The insurance against the risks of floating or stationary mines and stray or derelict torpedoes, floating or submerged, and the act or acts of one or more person, whether or not agents of a sovereign power, carried out for political, terrorists or ideological purposes, attaches as the interest hereby insured is first loaded on a lighter, craft or vessel after leaving the warehouse at point of shipment in transit for the destination declared hereunder, and ceases to attach as interest is finally landed from the vessel, craft or lighter prior to delivery to warehouse at such destination.
3. If the contract of affreightment is terminated at a port or place other than the destination named therein such port or place shall be deemed the intended port or place of discharge for the purpose of this endorsement.
4. Shipments by mail, if covered by this endorsement, are insured continuously from the time of leaving the sender's premises until delivered to the place of address.
5. Shipments by air (other than by air mail), if covered by this endorsement, are insured subject to the same terms and conditions as shipment by overseas vessels.
6. For the purposes of this endorsement, arrival at the intended port or place of discharge, shall be deemed to mean that time when the overseas vessel first berths, anchors, moors or is secured in an area subject to regulation by the authorities of such port or place.
7. This insurance provided by this endorsement does not cover any loss, damage or expense caused by or resulting from any of the following causes:
 - A. Commandeering, pre-emption, requisition or nationalization by the government (de facto or otherwise) of the country to or from which the goods are insured.
 - B. Seizure or destruction under quarantine, environmental or customs regulations.
 - C. Delay, deterioration and/or loss of market.
 - D. Claim based upon loss of, or frustration of, the insured voyage or adventure caused by arrests, restraints or detainments.

Arising from collision, contact with any fixed or floating object (other than a mine or torpedo), stranding, heavy weather or fire unless caused directly (and independently of the nature of the voyage or service which the vessel concerned or, in the case of a collision, any other vessel involved therein, is performing) by a hostile act by or against a belligerent power, and for the purpose of this paragraph "power" includes any authority maintaining naval, military or air forces in association with a power.

Notwithstanding the cancellation provisions in the Marine Cargo Policy, this endorsement may be cancelled by either party upon forty-eight (48) hours written or telegraphic notice to the other party, but such cancellation shall not affect any shipment on which this insurance has attached under the terms hereof prior to the effective date of such notice. Shipments on which this insurance has not so attached but for which prior to the effective date of such notice, bills of lading have been issued and (in the case of exports) certificates or special policies have been issued and negotiated, shall be covered from the time of loading on the overseas vessel, as provided above, provided that, prior to said effective date, such shipments were at risk of the Assured.
