

Crowley Liner Org 025816 Tariff 001	Date Filed: 06-03-2021	Date Effective: 07-04-2021	Rule #: 204	Revision: Original Publishing Code: I
Rule Name:	Loading of Non-Operating Vehicles			

When Carrier receives a vehicle not in operating condition or without keys for export, a loading/handling charge of \$500 will apply per vehicle not exceeding 900 cubic feet. This charge will apply on the Bill of Lading.

Non-operating vehicles are subject to carrier approval for acceptance and subject to additional charges to be determined at the time of acceptance.

This charge is applicable to all open tariff and service contract rates.
