

CARGO INSURANCE OPT-OUT FORM

Crowley Liner Services offers “All-Risks” cargo insurance for most shipments within the Caribbean Islands services, including the Dominican Republic and Haiti. This insurance will indemnify the customer for proven loss or damage to the cargo in an amount equal to the lesser of the repair or replacement value, per the commercial invoice, up to a maximum of US\$50,000.00 per container. The insurance applies to full container loads (FCLs) only, with limited commodity exclusions and no deductible for a charge of \$1.375 per \$100 of cargo value. Excess Value insurance may also be available upon request. The basic US\$50,000.00 of insurance is automatically procured and the corresponding charge automatically assessed unless you timely return this executed form declining the coverage as provided below.

If you decline this coverage, Crowley’s liability for cargo loss or damage will be limited in accordance with the applicable tariff rules, the terms of Crowley’s long form bill of lading, which you can find [here](#), and, as applicable, your service contract. Please note that Crowley’s liability and your loss recovery may be significantly more limited if you opt out of the offered coverage.

You may decline this insurance by executing and returning this form as follows:

- By submitting this executed form along with all other required shipping documents no later than twenty-four (24) hours prior to the scheduled sailing. Customers without a service contract must submit this completed form for each booking for which the insurance is declined.
