| <b>Rule Name:</b>                         | <b>Honduran Government Decree Trucking Charge</b> |                                      |                    |  |

Government of Honduras by way of La Gaceta number 32,693 decreed mandatory minimum trucking rates which will represent significant increases over existing costs. Due to the passage of this law, A Honduran Government Decree Trucking Charge will apply for all cargo originating or destined to Honduras inland points and will be in addition to existing inland and door rates per the table below:

| City               | USD \$       | City                      | USD \$       | City                   | USD \$       | City                | USD \$       |
|--------------------|--------------|---------------------------|--------------|------------------------|--------------|---------------------|--------------|
| Aduana La Meza     | \$25         | El Mochito                | \$55         | Lepaguare              | \$160        | Santa Rita          | \$45         |
| Agua Caliente      | \$115        | El Negrito                | \$50         | Montelibano            | \$160        | Santa Rita De Copan | \$55         |
| Agua Fria          | \$145        | El Palenque               | \$155        | Morazan                | \$55         | Santa Rosa De Copan | \$75         |
| Alauca             | \$145        | El Paraiso                | \$145        | Nacaome                | \$135        | Siguatopeque        | \$70         |
| Amarateca          | \$100        | El Porvenir               | \$30         | Naco                   | \$35         | Sonaguera           | \$115        |
| Apacilagua         | \$160        | El Poy                    | \$110        | Ojo De Agua            | \$120        | Talanga             | \$125        |

If the vehicle without its own semi-trailer, is also owned by the carrier, an increase in the rate will be established according to the type of unit, according to the following table

| Equipment Size | Increase |
|----------------|----------|
| S1             | 10%      |
| S2             | 20%      |
| S3             | 30#      |
