

Crowley Liner Org 025816 Tariff 001	Date Filed: 08-28-2026	Date Effective: 09-27-2026	Rule #: 175	Revision: Original Publishing Code: I
Rule Name:	Alternate Routes in Central America			

Due to the closure of the Guijo Bridge in Guatemala, cargo moving to or from affected inland locations that requires alternate routing shall be subject to an Alternate Routing Surcharge of \$250.00 per container.

This surcharge is assessed to recover additional transportation costs resulting from the required alternate route.

The surcharge shall remain in effect until the disruption has ended and may be amended, suspended, or canceled by publication in this tariff.
