| Crowley Liner<br>Org 023286<br>Tariff 002 | <b>Date Filed:</b><br>09-15-2026 | <b>Date Effective:</b><br>10-18-2026 | <b>Rule #: 132</b> | <b>Revision: 3</b><br><b>Publishing Code: A</b> |
| <b>Rule Name:</b>                         | South Florida Drayage            |                                      |                    |                                                 |

Whenever the carrier is requested to arrange or provide container/trailer delivery and pick-up service within the below specified metropolitan areas, the outlined charges will apply.

If overweight permits are required, please refer to rule STB 100.1 – US Overweight permits

If contract has a rate filed to/from South Florida Dray Zone 1 and cargo is booked to/from South Florida Zone 2 instead, South Florida inland will be adjusted from **\$430 to \$505** and does not require customer approval.

| Zone                                         | Charge       |
|----------------------------------------------|--------------|
| South Florida Dray Zone 1                    | <b>\$430</b> |
| South Florida Dray Zone 2                    | <b>\$505</b> |
| <i>Cities per each zone are listed below</i> |              |

| ZONE 1               |                       |                      |
