

Crowley Liner Org 025816 Tariff 001	Date Filed: 5/15/2018
Rule Name: DETERMINATION OF PROPORTIONAL RATES	Date Effective: 6/14/2018
	Revision: Original Publishing Code: I
<p>Rates referencing proportional rates will apply only from or to the terminal shown subject to that rate. The rate will only apply when Southbound cargo is tendered to Carrier, accompanied by an inland carrier document showing that there has been a prior movement of the cargo from the place named in the corresponding note, or when Northbound cargo is consigned for subsequent movement to the destination named in the corresponding note.</p>
