

Crowley Liner Org 025816 Tariff 001	Date Filed: 5/15/2018
Rule Name: ROUND TRIP MOVEMENTS	Date Effective: 6/14/2018
	Revision: Original Publishing Code: I

Except as otherwise provided, rates contained herein apply only in a single direction. Rates making reference to this RULE apply only on the condition that the trailer used to handle an inbound load (or a pool trailer) is used for an outbound load with no interruption in the round trip movement except for unloading on the one hand and reloading on the other hand.
