**Charges after the expiration of Free Time (per calendar day)  
Southbound & Northbound (unless otherwise specified)**

Daily per diem rates will apply for use of carrier equipment after the expiration of equipment free time when carrier performs inland drayage. Chassis and Gensets will have the same free time as equipment per table attached or as specified in service contracts. When carrier does not perform drayage there will be no free time and per diem will start on day 1.
