

Crowley Liner Org 025816 Tariff 001	Date Filed: 5/15/2018
Rule Name: SUBSTITUTION OF EQUIPMENT	Date Effective: 6/14/2018
	Revision: Original Publishing Code: I
<p>(Applicable only on Dry Containers/Trailers)</p> <p>Except as restricted in individual rate items, when a shipper requests a container/trailer not exceeding 40'6" in length and due to operational exigencies a trailer not exceeding 45 feet in length is furnished, charges will be assessed based on the trailer requested, provided that cargo loaded therein can fit into the smaller size trailer requested. Shipper must furnish packing list/bill of lading showing pieces and cubic feet utilized.</p> <p>When a shipper requests a container/trailer equal to 48' in length and due to operational exigencies a trailer not exceeding 53' is furnished, charges will be assessed based on the trailer requested, provided that the cargo is loaded therein can fit into the smaller size trailer requested. Shipper must furnish packing list/bill of lading showing pieces and cubic feet utilized.</p> <p>Carrier reserves the right to arrange for weighing and/or inspection of the trailer/container and cargo. When a shipper loads a quantity of cargo in excess of the capacity of the originally ordered equipment, rates and charges will be assessed in accordance with this tariff for the full quantity of cargo actually loaded or the applicable tariff rate for the equipment furnished (whichever produces the greatest freight charges).</p>
