Rate applicability

Carrier is not obligated to quote the rates of other Carriers. When the Carrier does offer such quotations, it will be done only as a convenience to the shipping public and the Carrier will not assume responsibility for the accuracy or protection thereof.

When Carrier has furnished, either verbally or in writing, an Estimate of Published Tariff Charges, such estimate will be given on the basis of the effective published tariff provision(s) as applicable to those facts concerning the shipment (s) which are made known to Carrier.

Estimates of Freight Charges are furnished as a convenience to the shipping public and represent nothing more than an approximation of freight charges which is not binding either on the Carrier or Shipper.

All Transportation Charges on a shipment will be assessed on the basis of public tariff provisions legally in effect at the time of shipment, as applicable to the commodity or commodities shipped and transportation and related services performed in connection therewith.
