Tariff 002					

Heavy Lift

A. Any article(s) tendered to carrier weighing in excess of 8,000 pounds each which requires the physical transfer from equipment in or on which it was transported, will be subject to Heavy Lift Charges as provided in Paragraph B of this Rule. Heavy Lift Charges will be assessed in addition to the tariff rate applicable to the article(s).

- B. When the carrier loads to or unloads from trailer(s), truck(s) or rail car(s), any piece(s), package(s) in excess of 8,000 pounds each, charges as shown below in the Defined Assessorial will be assessed for such loading or unloading. Such charges will not apply on the following articles:
 - 1. Vehicles, self-propelled, weighing less than 45,000 lbs. each.
 - 2. Road-making machinery, self-propelled, weighing less than 45,000 pounds each.
 - 3. Tractors, self-propelled, weighing less than 45,000 pounds each.

Weight Rate In Cents

Less than 10,000	22
