--	---------------------------------------	---	---	---

**Inland Trucking/Drayage Services**

Whenever the carrier is requested to arrange or provide container/trailer and/or cargo pick-up service within the Florida Counties of Dade, Broward or Palm Beach (SFLA), the following rules shall apply.

The Ocean Carrier reserves the right to route the shipment through any participating Inland Carrier, transportation mode or Interchange Port within the Scope of the Tariff.

When shipments pursuant to this Tariff move From/To Inland Carriers Terminals, the practices, rules and charges of the participating Inland Carrier shall govern such items as, but not limited to Origin/Destination Free Time on equipment including demurrage/detention.

When Shippers/Consignees request shipment(s) to be retained on the dock at the Loading/Discharge Port, said shipment(s) shall not be considered to be within the possession of the Inland Carrier and all Port-to-Port rules and regulations shall apply in addition to those contained within this RULE.

On heavy or bulky articles requiring special devices for safe loading/unloading, Shipper shall furnish such special devices and labor necessary to operate special devices and shall assume full responsibility for any damage to the shipment or Carriers equipment while being loading/unloaded.

Impractical Operations - Door service will not be performed by the Carrier at any site from or to which it is impractical to operate vehicles because of:

- A. The conditions of roads, streets, driveways, alleys or approaches thereto.
- B. Inadequate loading facilities.
- C. Strikes, riots, Acts of God, terrorism or any impediment of the authority of law, the existence of violence, or such possible disturbances as tending to create reasonable apprehension of Danger to a person or property.

Shipments requiring permits, bonds or escorts – Where Federal, State or Municipal regulations of laws require the securing or providing of special permits, bonds or escorts, arrangement therefore must be made by the shipper and all additional costs involved in securing such permits, bonds or escorts in compliance therewith, must be paid by the shipper.

Futile Trips - Where, after prior arrangement with the Shipper/Consignee, or their agent(s), the Carrier presents the container/trailer for loading/unloading, by the Shipper/Consignee and through no fault to the Carrier, the Shipper/Consignee is unable to load/unload the container/trailer, the Carrier will charge the Shipper/Consignee all actual cost incurred including costs associated with reschedule pickup or redelivery.
