

Crowley Logistics, Inc. Org 015721 Tariff 003	Date Filed: June 7, 2018	Date Effective: July 8, 2018	Rule 33 Marine Cargo Insurance	Revision: 4th Revised Publishing Code: A
--	-------------------------------------	---	---	--

Marine Cargo Insurance

Applicable to all LCL or FCL shipments between United States and all ports & points listed in the scope of this tariff.

Marine cargo insurance, under Crowley Logistics Inc.’s open cargo policy, will automatically be applied unless the account of cargo denies coverage. Customers who opt out of coverage should do so in writing to the Carrier.

Applicable Between Continental U.S., All Points & Ports listed in the scope of this Tariff (See Exceptions): This coverage shall apply per the commercial invoice value on Prepaid or Collect shipments originating from the U.S. for a charge of US \$1.00 per \$100 CIF Cargo value per shipment, subject to a minimum charge of \$30.00.

Exception: Applicable Between Continental U.S. and Grand Cayman: This coverage shall apply per the commercial invoice value on Prepaid Cargo (Only) shipments originating from the U.S. for a charge of US \$1.00 per \$100 CIF Cargo value per shipment, subject to a minimum charge of \$30.00.

Exception: Applicable Between Continental U.S. and Puerto Rico: This coverage shall apply per the commercial invoice value on Prepaid or Collect shipments originating from the U.S. for a charge of US \$0.70 per \$100 CIF Cargo value per shipment, subject to a minimum charge of \$30.00.

Exception: Applicable Between Continental U.S. and Cuba: This coverage will not be automatically applied unless account of the cargo request coverage. If coverage is requested, this coverage shall apply on Prepaid Shipments originating from the U.S per the commercial invoice value for a charge of US \$1.00 per \$100 CIF Cargo value per shipment, subject to a minimum charge of \$30.00.

Coverage provided by the policy is subject to various exclusions, conditions and warranties; customers are urged to review these provisions carefully to determine the extent of coverage. A copy of the insurance policy is available upon request.

CIF Cargo Value Definition - For the purposes of computing Marine Insurance Charges, the definition of CIF Cargo Value shall be 112% of the Invoice Value + the Shipping Cost.
