|---------------------------------------|----------------------------|---------------------------------|----------------------|---------------------------------------|
| Tariff 003 | | | Insurance | |

Marine Cargo Insurance

Applicable to all LCL or FCL shipments between United States and Anguilla, Barbados, Costa Rica, Dominican Republic, El Salvador, Guatemala, Montserrat, Nicaragua, Panama, Puerto Rico, St Croix, St John, St Kitts, St Maarten, St Thomas, Tortola & Trinidad and Point & Ports listed in the Scope of this tariff.

Marine cargo insurance, under Crowley Logistics Inc.'s open cargo policy, will automatically be applied unless the account of cargo denies coverage.

This coverage shall apply per the commercial invoice for a charge of US\$1.00 per \$100 CIF Cargo value per shipment, subject to a minimum charge of \$40.00.

Coverage provided by the policy is subject to various exclusions, conditions and warranties; customers are urged to review these provisions carefully to determine the extent of coverage. A copy of the insurance policy is available upon request.

For the purposes of computing Marine Insurance Charges, the definition of CIF Cargo Value shall be the Invoice Value + Shipping Cost + 10%.
